Re Item I

Basis of the report

1. The amended set of claims 1-13 as filed on 06.08.2004 introduces subject-matter which extends beyond the content of the application as filed, contrary to Article 34(2)(b) PCT.
- 1.1 The amendment concerned is new independent claim 1. Although each of the individual process steps (I), (II), (S), (C) and (W) is as such supported by the application as filed, there is no disclosure in the application as filed to carry out these steps in the particular sequence as indicated in present claim 1. More specifically, the passages on p. 2, l. 20-24, p. 20, l. 10-26, p. 21, l. 5-14 and claim 1 as filed provide various options for carrying out the particular process steps before or after other process steps, while several process step are indicated as optional. However, there is no disclosure in the application as filed to select particular optional process step to be present or not and to combine these process step in the particular sequence as indicated in present claim 1.
- 1.2 Since new claim 1 is not admissible, the report is established as if this amendment had not been made. Basis for the report are therefore claims 1 to 19 as originally filed.
